

São Paulo City

Now reaching the outstanding milestone of almost 12.110.000 inhabitants*, in part as a consequence of immigration from all over the world, São Paulo is the most important financial and economic center of South America. The town is considered the city of business and hosts about 90,000 events a year. It offers a great diversity in terms of leisure, entertainment and culture (cinemas, theaters, night clubs, restaurants, parks, museums etc), besides options for eating out that embrace many different cuisines from around the globe as well as typical dishes from several regions of the country.

Health Complex

The Health Complex is formed by the School of Nursing, the USP Medical School, the School of Public Health and the Tropical Medicine Institute. It's located in Pinheiros, on the west region of São Paulo. The Health Complex is near the Hospital das Clínicas, one of the biggest hospitals of the city. For more informations of each unit, visit:
