CPF usefulness: The student will need a CPF to apply for a Student Bus Pass, open a bank account, attend language courses at USP, etc...

The ***Cadastro de Pessoas Físicas (CPF)*** is the registry of a citizen with the Brazilian IRS (*Receita Federal*).

3.1. Before arrival

In order to apply for a CPF, the foreigner can attend a representation of Brazil in his home country, the same place where he/she applied for the visa, or he/she can follow the instructions in the **[Consular web portal](#)** (the electronic form is available in English).

According to Joint Ordinance COCAD/COGEA No. 53/2023, foreigners who are abroad must submit (in person) their CPF applications to Brazilian consular offices abroad.

To apply for the CPF registration, regularization or amendment, the foreigner must:

- 1) Fill out the online form on the website of the Federal Revenue Service:

(<https://servicos.receita.fazenda.gov.br/Servicos/CPF/cpfEstrangeiro/Fcpf.asp>)

Attention: the "*Título de Eleitor*" field on the form must be left blank. The browser's pop-up blocker must be disabled; otherwise, it will not be possible to submit the request. After clicking on "send", a registration form (FCPF) will be generated containing the service code.

2) Access the e-consular platform (<https://ec-sydney.itamaraty.gov.br/>) and request the service "CPF (only 1ª INSCRIÇÃO)". In the request, the interested party must present the documents listed below:

Individual registration form (FCPF) mentioned in item "1" above, filled out and signed;

Identification document proving name, date of birth and nationality (for example: passport, national identification document, RNE/CRNM);

3) After the request is submitted via e-Consular, the Consulate will analyze and validate it. The interested party must then report on the scheduled date bringing all original documentation for verification. The CPF number will be issued at the time of service.

This service is provided FREE OF CHARGE.

3.2. After arrival

If already in Brazil, you can apply for a CPF online, via the [Receita Federal website](#) (available in Portuguese). Alternatively, the foreigner can attend in-person offices (*Banco do Brasil banks, Receita Federal*). To be able to get a CPF, the foreigner must have a few documents when he/she applies. The CRNM (CIE or its protocol) is essential to be able to file the request for a CPF.
