What 's "oVice?"

It's your new tool for real communication online! Become an avatar and enter the virtual space (^ ^)/.

Unlike Zoom, you can move around freely in the virtual space, and you can hear what other avatars are saying when you get close to them!

You can interact with other students as if you were right next to them in real life!

オンライン上でリアルなコミュニケーションができる新しいツールです！

アバターになってバーチャル空間に入室(^ ^)/

Zoom等とは異なり、バーチャル空間のなかを自由に動き回り、他のアバターに近づくと話が聞こえる！他の学生とリアルで隣にいるように交流ができます！
