CHINESE ONLINE COURSE

For Foreign Language Speakers

	Elementary Mandarin Course	Intermediate Mandarin Course	Advanced Mandarin Course
Description:	<p>This course is designed for students who want to have a basic command of Chinese language and culture. Course objectives are for students to build a solid foundation and to develop their four language skills: speaking, writing, listening, and reading. The emphasis is on correct pronunciation, accurate tones and mastery of basic grammatical structures.</p>	<p>This course is designed for students with prior knowledge in Chinese. It will further develop students' communicative competence in listening, speaking, reading and writing in modern Chinese as well as to deepen understanding of Chinese culture and social issues. Students will carry on conversations and participate in classroom discussions in Mandarin Chinese on various topics associated with daily life. Mandarin Putonghua and simplified characters are the medium of instruction in this course.</p>	<p>This advanced Chinese course is offered to students with experience on listening, speaking, reading and writing Chinese at the intermediate level. It aims to help students to increase the sophistication of their oral and written expression, improve their reading and listening comprehension, and communicate information on autobiographical topics, as well as topics of community, national, or international interest in culturally appropriate contexts. Mandarin Putonghua and simplified characters are the medium of instruction in this course.</p>
Learning Outcomes:	<ul style="list-style-type: none"> • Use a number of words and phrases to answer questions about basic information. 	<ul style="list-style-type: none"> • Handle successfully a variety of uncomplicated communicative tasks related to personal information and daily life in straightforward social situations; • Can ask a variety of questions to obtain simple information to satisfy basic needs. 	<ul style="list-style-type: none"> • Handle with ease and confidence a variety of communicative tasks and topics; • Provide a structured argument to support their own opinions; • Discuss some topics abstractly.
Award of Certificate:	<p>Students who have fulfilled the 70% attendance requirement will be issued a Certificate of Completion.</p>
